

Utah Division of  
**Arts & Museums**

This project is supported in part by the Utah Arts & Museums, with funding from the State of Utah, the Church of Jesus Christ of Latter-Day Saints Foundation and the George S. and Dolores Doré Eccles Foundation. Special thank you to our collaborator, Julia Connelly, Ph.D., Clinical Director, Autism Spectrum Disorder Clinic, University of Utah

**Friday, October 3rd  
6-8 pm**

*Program commences at 6:30, with  
recognition of Senator Shiozawa*

Discovery Gateway: The Children's Museum of Utah, along with the Utah Autism Coalition, cordially invite you to join us for a community celebration to recognize the passage of Senate Bill 57.

The evening will honor Senator Shiozawa and others who have helped bring health insurance coverage for autism to Utah.

Attendees will also get a preview of the museum's newly-completed Sensory Room & Social Stories Corner, dedicated to serving – and telling the story of – children along the autism spectrum. The room will open to the public on Saturday, October 4th.

SPECIAL THANKS TO THE EVENING'S UNDERWRITERS
